

VISITOR MANAGER PLUS is a simple way to digitally manage visitors, contractors and staff within your business

Replace expensive, clunky and unsecure paper-based processes with a quick, intuitive, digital solution.

Digital Visitor & Contractor Management

VISITOR MANAGER PLUS

VISITOR MANAGER PLUS

INTUITIVE TOUCH SCREEN TO SIGN IN & OUT

Welcome your guests with a highly professional, easy-to-navigate sign-in process using the digital tablet. The Memory feature can populate details of returning guests, saving them time.

ACCESS TO STAFF DIRECTORY

Visitor Manager SignIn integrates with Active Directory, allowing visitors to contact staff directly.

ELECTRONIC ID LABELS

Forget paper-based badges and pins; this solution instantly prints ID labels. The label includes a unique barcode, which visitors scan to sign out.

TIMESHEETS, VISIBILITY & REPORTING

The Timesheets module can integrate with existing ID proximity cards to allow staff to clockin/out with seamless integration.

ADVANCED FEATURES

ENHANCE RECEPTION

Improve productivity, efficiency and first impressions.

COMPLIANCE & INDUCTION

Protect your business with automatic validation of contractor credentials

IMPROVE SECURITY

Photo capture of visitors and contractors at check-in.

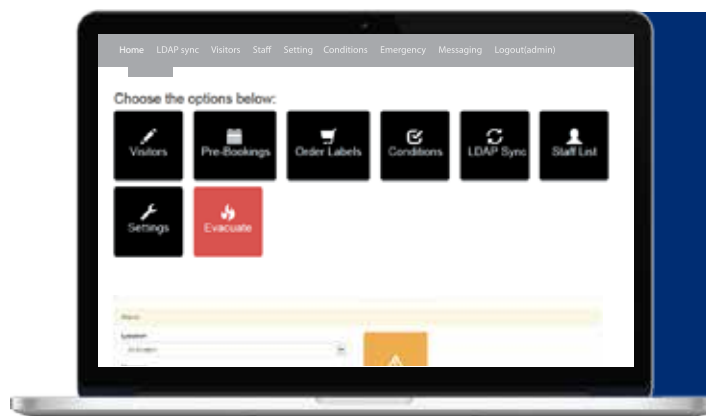

MANAGE TIME & ATTENDANCE

Ensure accurate reporting of time on-site for staff & contractors

*Phone not included
